### **Heaven Essential**

Haven Essential is a basic hot tub model with essential functionality of massaging jets and easy-understood hot tub implementation. Nancy can just go in and out of the hot tub easily and the headrest can move in a range to fit in people's different heights. It keeps the ultimate comfortable massaging experience accessible.

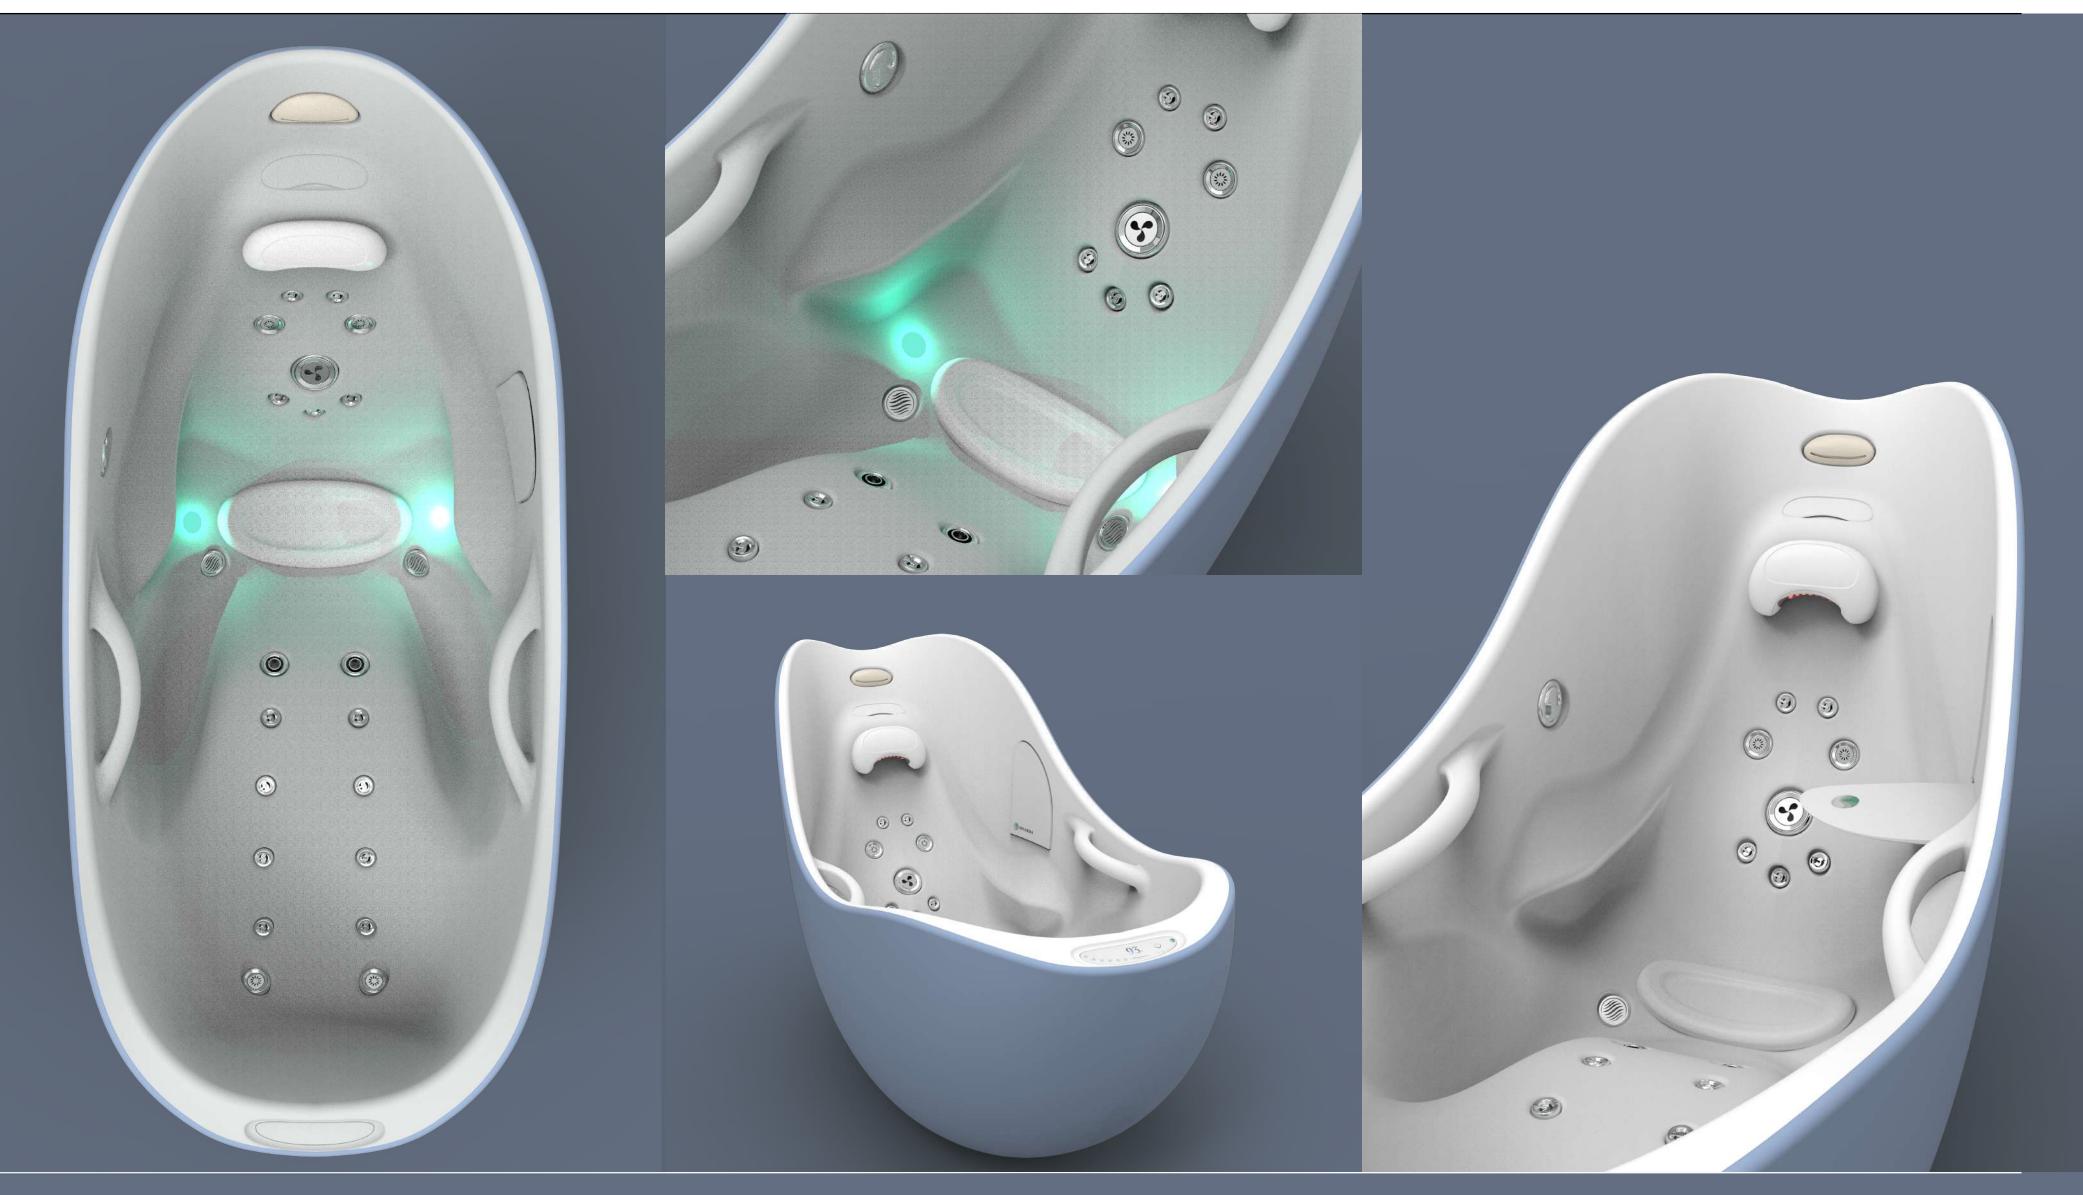

## Heaven Bespoke

Users bespoke the numbers and positions of jets based on the model of Haven Essential according to their specific requirements.

Besides, they can also have different options of soft headrests, side trays and customize the hue therapy.

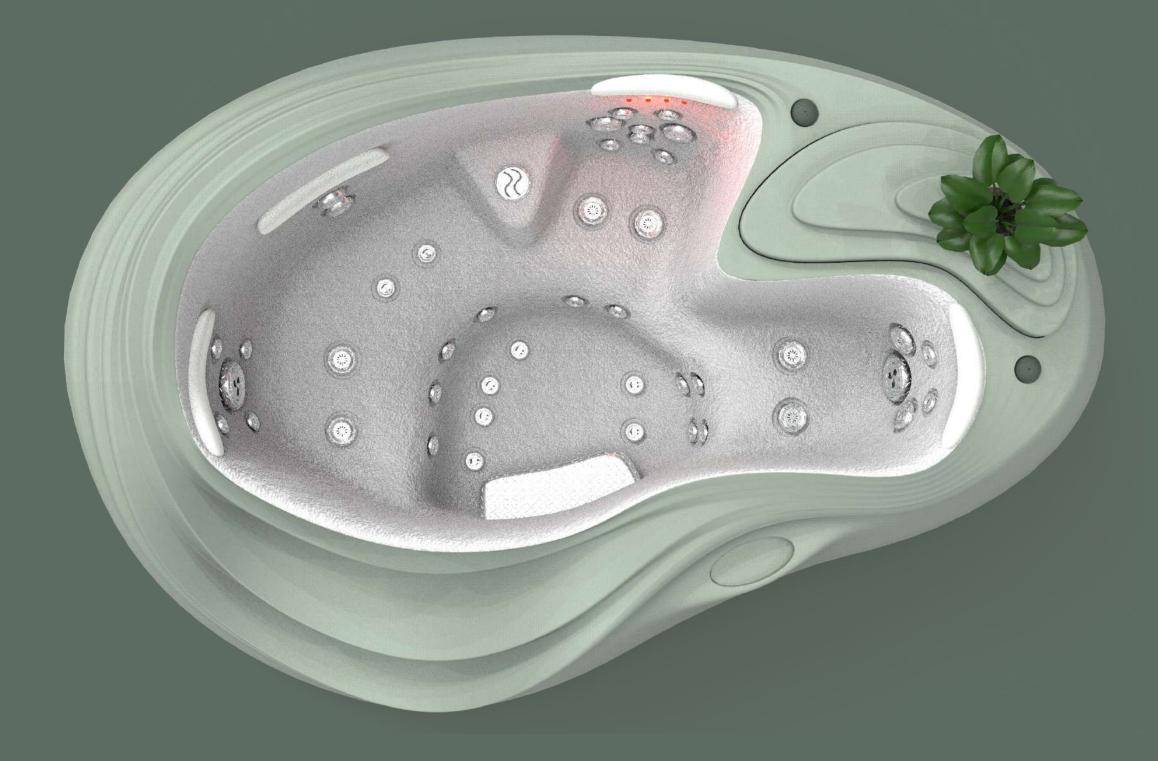

So that people can have a great opportunity to decide what they want.

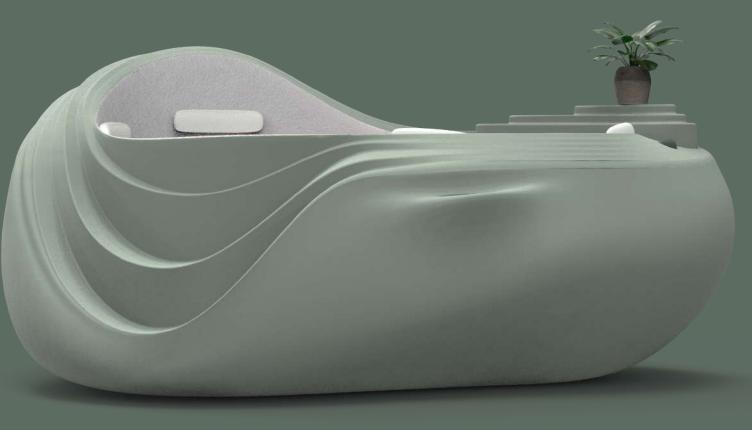

# **Hot Tubs**

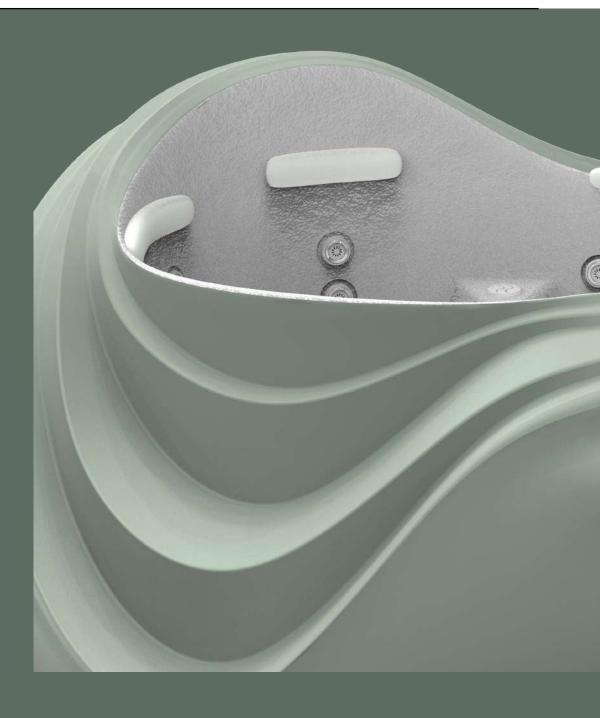

## Sanctuary

The entertainment system of hot tubs can simulate the nature environment, extracting the beneficial elements from nature. Sevonne also offer a kit of special massage accessories to keep safety and comfortable.
